

## We are here to help you achieve your milestones and grow your business!

Funded by the Lambeth Economic Resilience Fund, Sustainable Ventures is providing an exciting package of business and commercial support to cleantech SMEs in Lambeth.

Our tailored support, has the perfect combination of **webinars and one-to one support** to help you in your entrepreneurial journey.

Our **free** package includes 6 hours of business support and 6 hours of webinars.

Areas of support include but are not limited to:

- Business plan reviews and feedback
- Fundraising strategic advice (equity and non-equity opportunities)
- Investment readiness
- Support in communicating sustainability impact
- Marketing and branding identity
- Product development
- Market and customer segmentation
- Networking opportunities
- Resourcing and organizational culture

### Eligibility criteria

- Your business is registered in Lambeth, and/or your main operations are in Lambeth
- Your business has a sustainable innovation at the core of what you do

### How to apply
